

Coronal Polishing and Pit & Fissure Sealant Certification Preparation

Center for
Healthcare
Professionals

Our Courses:

- Meet the Texas State Board of Dental Examiners' (TSBDE) requirements for eight (8) hours of clinical and didactic education in preparation for certification
- Are taught by experienced college faculty from a Texas CODA-Accredited Program of the ADA
- Have no more than five (5) students per faculty to ensure individualized hands-on instruction (exceeds CODA's 6:1 required ratio for clinical practice)
- Are taught in state-of-the-art clinic facilities and equipment (when held at Coleman College)
- Provide turn-key course delivery on-site at your office/clinic (when provided by HCC Corporate College)

Course Details:

Contact Hours: Each course includes 8 mandatory hours of lecture and clinic practice.

Prerequisite: Students must have two (2) years of experience as a dental assistant, as required by the TSBDE. Upon successful completion of the course, students will receive a certificate of completion to be submitted with their application for certification to the TSBDE.

Books Required: All handouts are provided.

Format: Both courses include lecture and hands-on clinical practice with students working on each other. Students must wear proper clinical attire and bring their own PPE and slow-speed hand piece. For pit & fissure course only, students must obtain a DDS diagnosis and approval to receive sealants, and bring that documentation to class.

Registration Options for Courses:

Option 1: Customized Training - HCC Corporate College

For dental offices/clinics with 10 to 15 dental assistants needing the course(s) at one time. HCC Corporate College can bring the training to your office/clinic for your employees. Cost to be determined through a customized training agreement.

For more information, email us at corpcollege@hccs.edu

or call 713-718-5304, or visit us at www.hccs.edu/corp

Option 2: Open Enrollment - Center for Healthcare Professionals at HCC Coleman College

For the individual student who would like to register for a pre-scheduled course held at HCC Coleman College (1900 Pressler in the Texas Medical Center) in the Dental Hygiene Clinic. Courses are available on Saturdays and weekday evenings.

For complete registration information and course schedule, email us at hcc-chp@hccs.edu

call 713-718-7796, or visit us at www.hcc-chp.org
